

Putting people at the heart of change

Trevor Fernandes
Peer Leader - National Strategic Coproduction Group
Chair, East of England Citizens' Senate

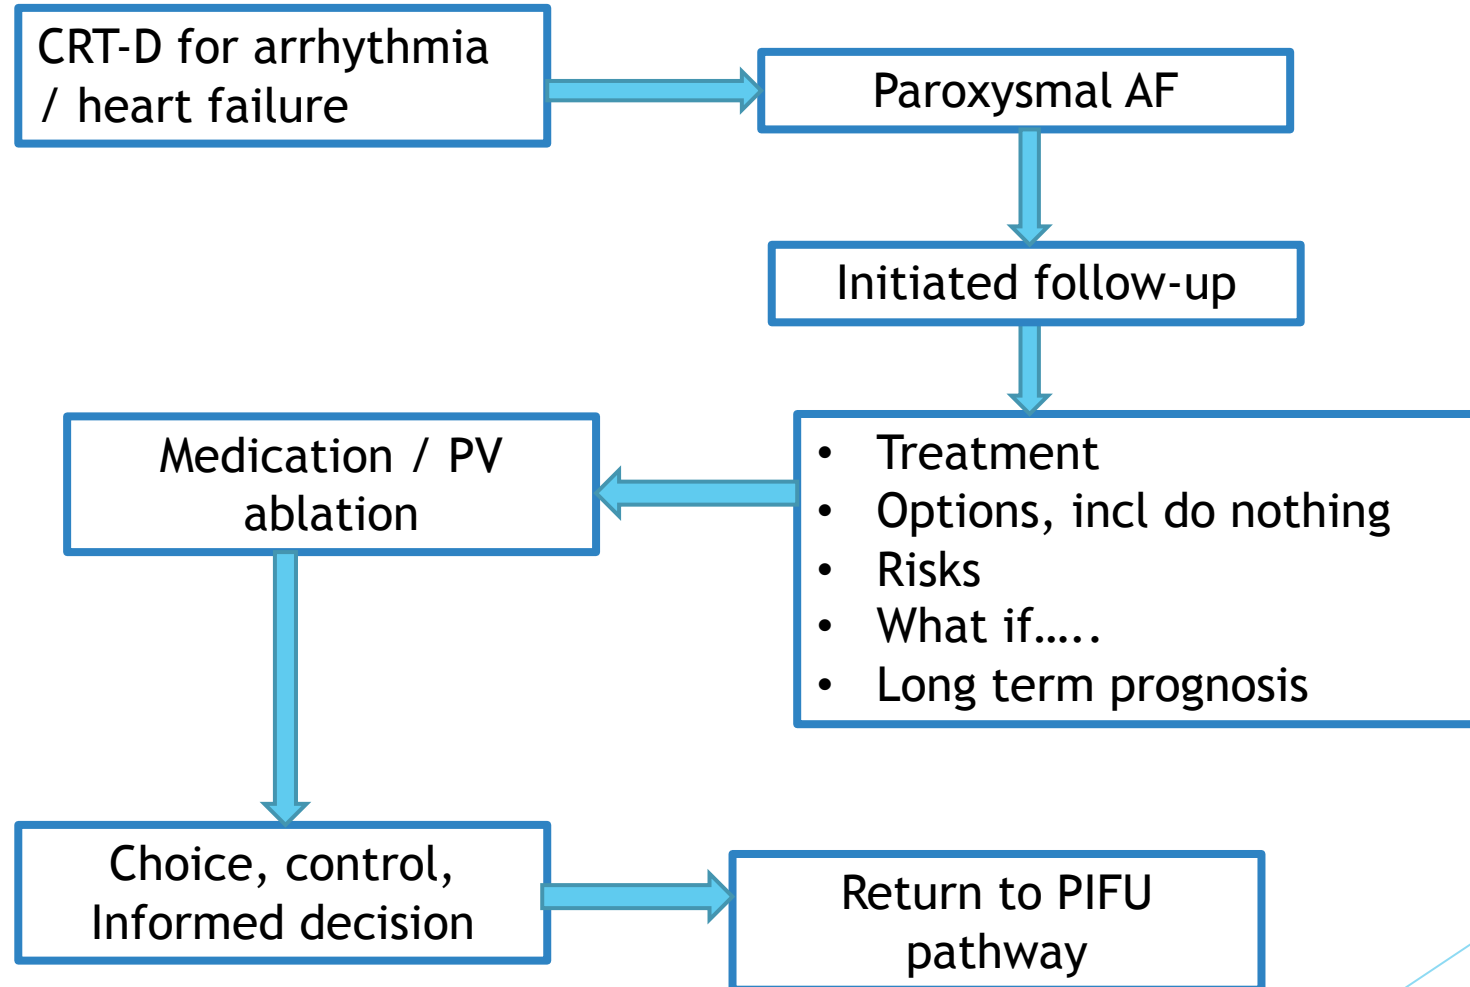

Initiating follow-up

- ▶ Patient experience of PIFU
- ▶ When should it apply
- ▶ Patient benefit
- ▶ Patient concerns and assurance

Sharing in the decision for PIFU pathway

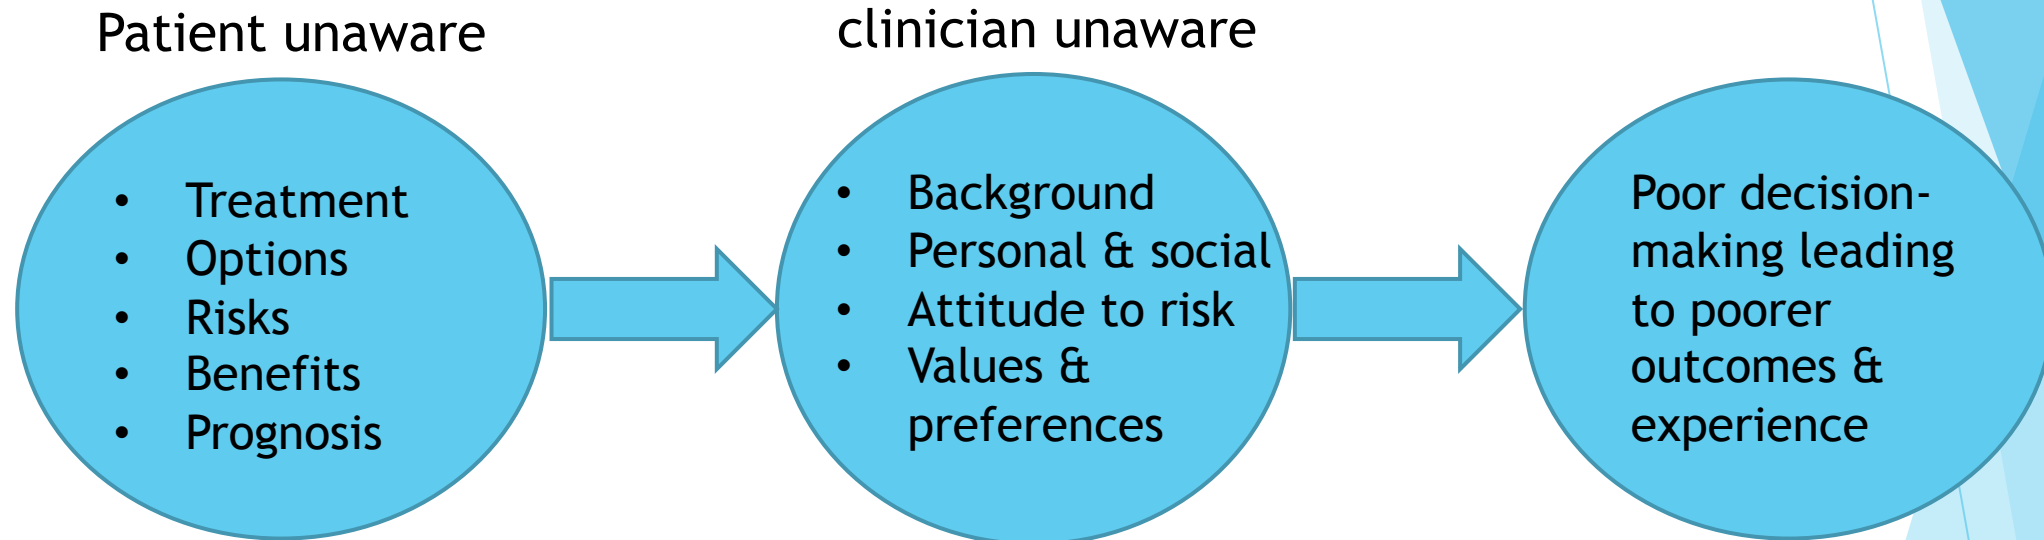

- ▶ Patient awareness & empowerment
- ▶ Options, information & support
- ▶ Good & timely communications

Patient experience in SDM - case study

Patient perspective - sharing in decisions

No SDM leads to poorer outcomes

Thank you for
listening
