

**East of England
Citizens' Senate**

Citizens' Senate meeting no 39

18th October 2022

Godwin Daudu
Kevin Minier

The Aims of the Citizens' Senate

- **To represent the public voice on the Clinical Senate**
- **To connect the Public Voice locally, regionally, and nationally via NHS programmes, the Academic Health Science Networks, and other organisations**
- **To be the public 'guiding conscience' for strategic/major healthcare decisions across the region.**

The Added Value of the Citizens' Senate

- **Access to a diverse network of lived experience**
- **Trained in co-production principles and involved in integrated programmes, service change, policy & research**
- **Supporting innovation for personalised care and patient outcomes**
- **Developed and delivered PPI/Co-production Strategies, Teams and Facilitation**
- **Access to a wide community of service providers, locally, regionally and nationally**
